## Access path to popular beach to be reopened

**Trevor Bevins**  
Reporter | trevorbevins@gmail.com

WORK is expected to start soon on re-opening Castle Cove beach to the public.

The footpath to the once popular beach was closed in 2013 after a landslip made the access route too dangerous to use.

Since then a local campaign group has been fighting to restore access.

At a meeting at the Castle Cove Sailing Club, attended by about 80 people, chair of the action group, Steve Elsworth said that the long fight for access was now nearing a conclusion.

He and other trustees of the Friends of Castle Cove Beach have been negotiating with the landowners, Dorset County Council and Weymouth and Portland Borough Council.

Mr Elsworth says that after four months

# BOOST FOR YOUR FAVOURITE LOCAL PAPERS

## New owner sees View From titles join Independent

THE future of local newspapers in the West Country received a massive boost this week when the team behind your favourite local free weeklies joined forces with the West Country's famous *Sunday Independent*.

Entrepreneur Peter Masters, who embarked on a plan to rejuvenate the 200-year-old *Independent* when he acquired the iconic regional title in April, has now moved to add the Lyme Regis-based *View From* series of free newspapers to his expanding stable of publications.

The move, which aims to create a formidable, independent, local publishing group, offers further evidence of the revival of print media, he said.

The eight *View From* papers, which serve Bridport, Beaminster, Lyme Regis, Dorchester, Weymouth, Portland, Axminster, Seaton, Colyton, Honiton, Beer, Ottery St Mary, Crewkerne, Chard, Ilminster, Yeovil, were acquired from Capital Media Newspapers, who had owned the titles for 18 months.

The Lyme operation, which employs 31 people and is headed by veteran publisher Philip Evans, 68, also produces a series of local *Experience* magazines and runs news websites for the West Country communities it serves.

Peter, who is also chairman and co-owner of Truro City Football Club, said he was excited to bring the two publishing businesses together.

The Somerset-born businessman stepped in to save the *Sunday Independent* in April. The 200-year-old paper had come under threat following the sudden death of its previous proprietor. Peter is now constructing an investment plan to develop the multi-edition 200-year-old title, which focuses on professional and grass roots sport and leisure in Bristol, Somerset, Dorset, Devon and Cornwall.

He said: "These are extremely exciting times for the *View From* group and the *Sunday Independent* as we work on plans to deliver even better quality, value and ideas for their readers. I and all the dedicated staff at both titles believe in the future of print newspapers at the heart of their communities, where people can share their successes, their challenges, their events, their joys and criticisms.

Both will have a vibrant web presence delivering news and sport updates and digital platforms for advertisers to reach these communities – but we all also believe that nothing beats sitting down with a paper that covers your community or your sphere of interest and reading all the things you can't find on the internet!"

Philip Evans said: "This is a great development, one that will enable us to improve our service to the loyal readers and advertisers who support our independent and trusted local publications. Joining forces with the *Sunday Independent* will create a powerful publishing business for the whole of the West Country."

## Clarification - Punch and Judy

THE family of Weymouth's Punch and Judy operator, Mark Poulton, has asked the View From to clarify from last week's article that the £6,000 expenses referred to represents more than just pitch fees to Weymouth and Portland Borough Council.

The annual sum, which it costs him to run the Punch and Judy shows, is made up of his expenses for living away from home while doing the summer season. These include among others campsite fees for living in his van, parking and storage, public liability and insurance and cost of food, laundry etc.

Said Mary Poulton: "Mark has never complained about the amount he has to pay for the beach pitch as it was agreed amicably between him and the council.

"Last year the media reported many inaccuracies which caused Mark a great deal of trouble and heartache and he has refused to speak to the media ever since.

"I am sure that your article was well meaning and hoped to stir up support for this great British tradition but Mark will now have to smooth over things with the council who will be angry that such lies are being circulated. People will start complaining to the council over something that is not their fault."

## Appeal for witnesses to fatal collision

AN 89-year-old man being treated for life-threatening injuries following a collision in Weymouth has died.

At around 5.40pm on Thursday, July 13th a serious injury road traffic collision occurred at the junction of Preston Beach Road and Bowleaze Cove way involving a pedestrian and a silver Vauxhall Astra.

The pedestrian - a local 89-year-old man - sustained life-threatening injuries and was taken to Dorset County Hospital where he passed away on Friday, July 14, as a result of his injuries. His family have been informed and the coroner has been notified. The road was closed while emergency services dealt with the incident. It reopened at 9.40pm.

The driver of the car - a 28-year-old man from Weymouth - and his front seat passenger were uninjured.

Police Constable Jay Griffin, of the traffic unit, said: "I am still appealing to anyone who witnessed the collision and has yet to speak to officers to please contact Dorset Police."

Anyone with information is asked to contact Dorset Police at [www.dorset.police.uk](http://www.dorset.police.uk), via email [101@dorset.pnn.police.uk](mailto:101@dorset.pnn.police.uk) or by calling 101, quoting incident number 13:414. Alternatively, contact Crimestoppers anonymously on 0800 555111 or via [www.crimestoppers-uk.org](http://www.crimestoppers-uk.org).

## Body of missing fisherman found

THE body of a missing spear fisherman has been found in the water off the coast of White Nothe, in Weymouth.

Police received reports of a body found in the water at 10.55am today (Sunday).

Although formal identification has not yet taken place, the body is believed to be that of missing spear fisherman Andrew Scott, 27, of Winterborne Whitechurch. He left home between 3pm and 4pm on Monday, July 10th but failed to return as expected.

His family have been informed of the discovery and the coroner has been notified.

A spokesperson for Dorset Police said: "His death is not being treated as suspicious and our thoughts are with Andrew's family at this difficult time."

# Criminal behaviour order for persistent offender

A MAN who committed a number of drug and begging offences in Weymouth has been handed a Criminal Behaviour Order.

John Mark Poole, aged 24 and of no fixed abode, was handed a five-year-order at Weymouth Magistrates' Court after being convicted of possessing class A drugs.

Poole has been arrested 26 times in Dorset since 2007 and has been involved in 53 incidents recorded by police since July 2016.

The majority of the incidents related to drugs, rough sleeping and begging and have predominantly occurred in Weymouth town centre.

Following collaborative work involving the Weymouth Neighbourhood Policing Team and the Dorset Councils Partnership Anti-Social Behaviour Team, Poole was issued with an Acceptable Behaviour Contract in February 2016 but breached the agreement within two days.

The Criminal Behaviour Order is in place for five years and states that Poole must not:

- Act or incite others to behave in an anti-social manner, that is to say, a manner that causes harassment, alarm or distress to any people within the commission area of Dorset.
- Act or incite others to use threatening, in-

sulting or abusive words or behaviour in any place to which the public has access in the commission area of Dorset.

● Enter the commission area of The Esplanade in Weymouth. The area covered is from the groyne by Sluice Gardens to the Pleasure Pier behind the Pavilion Theatre. He is also prohibited from entering King Street in Weymouth from the junction with The Esplanade to the Westham cross roads and St Thomas Street and St Mary Street.

Poole is also required to engage with EDP drug and alcohol services at least once a week until discharged by EDP.

Police Sergeant Jane Moore, of Weymouth police, said: "Poole's behaviour has caused concern for residents and businesses in Weymouth for a number of years and his offending has deteriorated further in the last two years.

"Officers have been working jointly with the Dorset Councils Partnership Community Safety Team to secure this order so we can reduce the impact of his behaviour.

"I hope this order also sends a message to the local community that we will take action when concerns are raised in relation to the rough sleeper and street drinking community in the town."

# Path to popular beach to be restored

FROM page 1

of negotiations, the Friends and the landowners have reached general agreement about terms, and their lawyers are currently drawing up a lease which should be signed shortly. After that the group, which has 220 supporters, will need to raise £25,000 to build new steps. Plans for that have already been drawn up and a structural engineer commissioned to modify and ratify the plans.

"It's been a long and winding road," said Mr Elsworth, "but we are finally getting there. Once the lease has been agreed and signed, then we can start fundraising. We're particularly pleased with Dorset County Council - they have agreed to repair the public footpath as far as where the top of the steps would be. They have told us they expect the work to begin very soon, and we are looking forward to that."

"There are no villains here - everyone is working really hard to get the public back on the beach. In the past we would have had to deal with just one landowner. Now there are 11, and they all have valid points of view. We have to make sure everyone is happy before we can finalise the deal."

There is evidence that the path to the beach has been in use by the public since 1899.

More than 60 witness statements were submitted by the group to Dorset County Council in 2014 arguing that the steps were a Public Right of Way - a position which was endorsed at the time by Weymouth and Portland Borough Council.

Work was carried out two years ago to partially restore the path with the help of the Prince's Trust.

# Diagnosis goes from bad to verse

DURING treatment for breast cancer, Fran Arnold turned to poetry to give expression to her experience – and is now raising money to support the staff who cared for her at Dorset County Hospital.

The retired teacher, who is 65, has produced a book of poems prompted by her illness.

Fran, who had a breast removed in an operation a year ago this month, and endured courses of chemotherapy and radiotherapy, explained: “The diagnosis was a terrible shock and the shock is the worst thing. Everything changes at that point. Time frames change. But you take each day at a time and you get through it.”

“I thought that I would not deal with ‘what-ifs’ and I would not read everything I could find on the subject. But I did do a lot of walking. I read that if you walk it helps to build up your immunity. My husband and I walked 570 miles during my chemotherapy.”

■ **FAMILY LIFE:** Fran Arnold with her grandchildren, Alex and Monty

Fran said: “I used to go to a ‘knit and natter’ group and they were interested in my situation and I was happy to talk to them about it.”

This prompted her to consider a book.

“I thought that a book would make me face everything, including the dark times. So I tried writing and then thought I’m not very good at this. Then I turned to

poetry and at the end of my radiotherapy treatment I wrote a poem called *Radio Ga Ga* and showed it to one of the radiotherapy team. She cried and said it was beautiful.”

Fran, who is married and lives in Stalbridge, added: “I always left hospital in Dorchester feeling positive and so I thought I would try to raise funds through the poetry to help the hospital’s cancer appeal.”

The £1.6 million appeal aims to provide a cancer outpatients department on top of the new radiotherapy bunker that is under construction at the hospital, and fund major improvements to the existing chemotherapy unit.

This work should

transform the experience of cancer patients at the hospital, as well as providing better access to radiotherapy services for patients from north, west and south Dorset.

Fran’s book, entitled *Francesca And Me, A Very Personal View Of Breast Cancer Through Poetry*, contains 14 poems on 28 pages. She chose the name ‘Francesca’ after being inspired by the prosthetic chest that formed part of her treatment.

She said of the 14 poems: “They seem to make people cry, although the tears they cry aren’t always sad ones! They are very personal because they tell the story of what I have been through. People who read them often say ‘I know someone who has can-

cer and this will really help them’.”

Some 500 copies of *Francesca And Me, A Very Personal View Of Breast Cancer Through Poetry*, are due to be printed in Milborne Port on Friday this week. Fran plans to spend a day at the hospital next month selling copies, and they will also be available in shops in Stalbridge. They should soon be available to order online too.

## Francesca

by Fran Arnold

When the bandages came off I took a look at my left chest. It was oh so obvious the surgeon had done her very best. I kept on glancing and having a little peek. Felt gratified and delighted, I didn’t look a freak. I showed it to my husband, he thought it pretty fine. That made me even happier; it would be with me for quite a time.

I always thought of prosthetics as legs and arms and things. But a left chest sends out little alarms, next to bingo wings. I made a big decision; I would give my prosthesis a name. And in a flash, with lightning speed Francesca she became. Fran is who I am and I am naming my left chest. It didn’t take me very long to know that Francesca would be best.

I went to be measured, was described as quite petite, And decided contentedly she would be nice and neat. I took her out of her packaging and examined her with care. She seemed so totally enormous. Would she make the people stare? But I popped her in my pocket; she sat neatly in my bra. I looked sideways in the mirror and thought how curvaceous you are.

I wondered how it would work, swimming or going for a jog. Would Francesca be up to this? I read through the catalogue.

A special chest was needed to cope with things like chlorine. So I bought myself another one, a lean mean swimming machine. I have my two Francescas, I wear them every day. They help me feel quite normal; let my boobies lead the way.

# New bus service aims to improve town links

A NEW bus service between Dorchester and Blandford is being launched by First Wessex next week.

Starting on Monday, July 24th, the company will be running an hourly weekday service.

Service 12 will be operated under contract from Dorset County Council for at least seven years.

The new route will in part replace the X12 and 187 services that were operated by Damory. Some journeys on the new service will provide links between Weymouth, Milborne St Andrew, Bere Regis and Winterbourne Kingston. And during the academic year, this route will also serve Thomas Hardy School and Blandford School.

Simon Newport, general manager of First Wessex, said: "We're extremely pleased to be able to provide

this service in partnership with Dorset County Council. Combining the two corridors between Dorchester and Blandford, via Milborne St Andrew, Bere Regis and Winterbourne Kingston, will improve the overall frequency between the towns.

"This is the first time that we've provided a bus service for the people of Blandford, making this new venture very exciting for us.

"We have the contract for seven years and we intend to work with the local communities along the route in order to ensure we meet the various demands.

"This contract will offer the residents along the Service 12 route peace of mind that they have another regular bus service that they can rely on."

# Retirement homes plan

A NEW scheme to build a 76-home retirement complex is being proposed at Poundbury.

The applicants, Liberty Retirement, have told the council they want to build what they describe as a 'continuing care retirement community' with 76 apartments and bungalows together with a communal building which would include a cafe/bistro, a multi-purpose reception/bar/servery, a therapy room, a library / a reading room, a multi-

purpose activity room and staff facilities.

Comments from the public on the application, which has been submitted to West Dorset District Council, need to be made by the deadline of August 4th.

The planning application number is WD/D/17/001480 and the details can be found on the DorsetforYou website, which is at : [www.dorsetforyou.gov.uk/planning/applications/search](http://www.dorsetforyou.gov.uk/planning/applications/search)

# Scott gets clean pair of wheels

DORCHESTER'S 'Keeper of the Walks' has just been kitted out with a new cart by the town's businesses.

Dorchester Business Improvement District has been working with the Dorset Waste Partnership on a joint project to help keep the streets of the county town clean and tidy.

Phil Gordon, DBID project director, said: "I'm delighted to be continuing our partnership with the DWP. I believe the project is a really good example of what can be achieved when BIDs and local authorities put their heads together."

"We have had a few different people in this role but Scott Bailey, the current 'Keeper of the Walks', is providing an excellent service to Dorchester and has captured the hearts of businesses and locals with his care, attention to detail and passion for keeping the town looking good. So much so, that the businesses gave him a special award last year for his dedication and level of service."

Mike Haines, operations manager DWP commented: "This a great joint project with DBID. It has certainly made an impressive impact in Dorchester town centre. We regularly get good feedback and nice comments from locals and visitors alike."

The Dorchester BID has just supplied Scott with a new cart with a few extra features, suggested by him, who says that he loves the new look and it will make his work a lot easier. Included on the side of the cart is the 'Grime hotline' - for people to report any grime hotspots or rubbish issues that they have spotted in town.

**The Dorchester Business Improvement District is funded totally by the town's business and councils (via a one per cent levy on their business rateable values) and is due to go to re-ballot next year. If the businesses support the DBID with a 'yes' vote, there will be another five years of projects designed to support businesses and promote Dorchester to the world**

## Parking charge plan supported

THE chairman of the local 'friends' group of the National Trust has offered his personal support for the Trust's decision to start charging for car parking at Southdown, overlooking Ringstead Bay.

View from Dorchester gave details last week of how the Trust has now installed a parking meter at the local beauty spot, *pictured*, arguing that it needs to pay for the cost of maintaining the area.

"My personal feeling on the matter of car-park charging at countryside locations (not an official view from the Association) is that people must remember that there are significant costs in maintaining car parks and paths and should they wish to visit then it is reasonable that they should be expected to contribute to the cost, rather than expect the National Trust members to bear the entire cost through their membership subscriptions," said Geoff Wrench.

He points out that National Trust members will have free access to the car park and those on foot or bicycle will not be charged.

Mr Wrench says that maintenance of coastal paths cost £3,000 per mile, per year.

## Treasure chest call to students

STUDENTS in the Dorchester area are invited to apply for grants of up to £500 a year from the Ashley, Churchill & Thorner Educational Trust.

The charity says: "The money is there, you just need to apply for it!"

The charity helps persons aged between 16 and 25 who live within five miles of Dorchester or within the Crossways parish. In the past the trust has helped with the purchase of books, materials or tools for degree and further educational courses so that those benefiting can prepare for a trade or profession. Parental income must be below £30,800 a year, and an application form has to be completed. The trustees meet three times a year to consider applications and award grants.

If you feel you can meet these criteria, please go to the trust's website for more information and to download an application form:

## Rotary wine trail proves a success

POUNDBURY Rotary Club's first wine trail was a great success, say the organisers.

Although mainly a social event to celebrate the end of the Rotary year for the retiring president, Helen Horsley, an amount of money was raised for the club's charity funds.

The attendees met up at the Dorset Wine Co, at Strathmore House, Queen Mother's Square, in Poundbury. They were greeted with a Kir Royal, while groups were created, each led by a Rotary member, before setting off for various venues.

The red party started at 'Redefined Hair Salon' on Peverell Avenue East, courtesy of Emma Hill, the co-owner. This was the Italian wine tasting venue, and three wines were tasted in turn.

Moving on to Pengillys Solicitors, Challacombe House, Beechwood Square the party were offered three wines from South Africa with Rotarian Kim Pile of Pengillys in charge. At each of the venues there were canapes to try, designed to reflect the country represented by the venue.

Handelsbanken, on Bridport Road, was another venue, hosted by Rotarian and banker Kath Ayres, where a choice of wines from Australia were tried, and some excellent canapes, including a tiny prawn cocktail, and smoked salmon.

The last venue was Parkers Property on Peverell Avenue West where the French flag flew, and Rotarian Sam Cook, of Parkers looked after the guests.

All gathered at The Dorset Wine Co to finish off the evening.

The final event was a raffle for three prizes, each a magnum of wine, with an unexpected profit of £323.12 for Rotary charities.

# Magna helps community dig for victory

MAGNA Housing was able to quite literally 'lend a hand' to a local community who wanted to brighten up their village with displays of planting.

Lewis Winn, one of Magna's gardener-handypersons, spent an afternoon helping residents of Winterbourne Steepleton to dig out a flower bed and put in plants that the village hopes will attract bees and butterflies.

The idea came originally from Shané Garner, who moved to the village a few years ago.

She said: "I liked the idea of entering Dorset's Best Village award, but decided we needed to do something to brighten up the village a bit more."

"I developed a plan of working on five sites around the village over a number of months to tidy them up and put flowers in where we could."

Shané identified a triangle of grass at a junction in the village and worked with children from Winterbourne Valley Church of England First School to develop the planting designs.

She said: "We held a competition and the children were asked to sketch their ideas for the flower bed. There were 49 designs entered to the competition, but they were all so good we felt they were all winners."

"In the end we combined a number of the ideas in the final design. I gave the school a picture of what we hoped the flower bed would look like when it was finished and we gave them seeds to grow at the school."

"We had the idea of contacting Magna to help with this bed because

we saw how well-maintained the area was around Hamlands where Magna has properties. They keep the area looking very tidy."

But the work doesn't stop now. Shané is very keen that all the work they have done so far will be maintained for years to come.

She added: "We've made sure that everything we have done is sustainable for the bit we have just done before moving on to the next part of the village. So we've been involving others in the village to make sure someone looks after the sites once they are finished."

■ MAGNA Housing has helped locals improve their environment. From the left: Graham Garner, Lewis Winn and Shané Garner

"The care home, Steepleton Manor, has been great, they let us use one of their rooms to come and get warm in when we were working in winter and even laid on tea and coffee."

Lewis Winn said: "It was a real pleasure helping Shané and the other volunteers, they made me feel very welcome."

"The ground was very hard and it took a lot of effort to dig out the flower bed, so I was glad I could help them make good progress. We even managed to put some plants in before I left!"

"I was honoured to help in the project and I look forward to seeing it in its full glory when I next drive past."

# Weldmar's workout wonders!

AN open-air exercise class led by Jo Richards in Weymouth has raised money for Weldmar Hospicecare.

The 'Beach Buzz' event was held outside the Lookout Café at Bowleaze Cove way and attracted support from more than 30 fitness fans.

Jo is a fitness instructor and personal trainer at the 3D Health and Fitness Gym at Wey Valley School – and the gym helped to support the event.

Said Jo: "I held this event in memory of my friend Jo Davies, who passed away 10 years ago. I wanted to do something to help keep her memory alive and to support Weldmar, the charity that did so much to help her and her family at the time, and so many others in their care now."

The two-hour fitness class consisted of a mix of cardio high intensity interval training, body conditioning and core strength training – and participants paid £10 to take part. Each person taking part was rewarded by a cup cake supplied by Henrietta Murfit of Henni's Sweet Treats.

The class was followed by a raffle with prizes donated by 3D Health and Fitness Gym, Henni's Sweet Treats, Minterne Magna House and Gardens, The Springhead Pub, Chic Hair and Beauty Salon, Illusionz Hair Studio, SPAR in Preston, Ocean Rocks T-shirts, and the Lookout Café. In total, the event raised £525 for Weldmar.

■ **ACTION TEAM: an open-air exercise class led by Jo Richards raised money for Weldmar Hospicecare**

Jo said: "The event was a big success and I would like to thank everyone who came along, joined in or donated to the event so generously, including Lou Sams for loaning me a stage and Victoria Jones for the sound system."

Diane Bentley, community engage-

ment fundraiser for Weldmar Hospicecare, said: "I brought my yoga mat and my gym clothes, and joined in with the whole event. I was amazed at Jo's energy, and delighted to see so many people taking part in support of Weldmar. We rely so much on the support of our local

community. The money they have raised will help us to continue to provide our outstanding care across Dorset, supporting our patients and their families where and when they need us most – in their homes, in a local hospital in our hospice, or over the phone."

## Speed cut plan

PLANS are being made to reduce the speed limit from 60mph to 40mph between Preston and Osmington on the A353.

Dorset County Council has advertised its intention to make the change and is asking for comments on the proposal.

The new limit, if approved, would go from Preston Road from a point 372 metres east of its junction with Sutton Road, close to the Seaview holiday park, in an easterly direction up the hill, past the White Horse holiday chalets and White Horse Farm, to a point 206 metres west of the service road for Plough Cottages; a distance of 1132 metres.

The section has a 30mph limit either end of it in both Preston and Osmington.

Comments, for or against the proposed change, should be submitted, in writing, by July 21st, to – Regulation Team (2158/2/2), Dorset Highways, Dorset County Council, Colliton Park, Dorchester.

## Military fair

A VICTORIAN military fair is being planned for Weymouth's Nothe Fort.

The event, on Sunday, August 20th, from 10.30am, will include a demonstration of canon firing from the Fort Artillery, musket drills, marching, bugles and drumming, with exhibitions and games in the fort and its concourse throughout the day.

## DEFEATING DIABETES

**E**VEN small amounts of physical activity can offer health benefits that protect against diabetes, suggests new research.

The findings show that even a little exercise wards off insulin resistance, a precursor to type 2 diabetes which can result from a high-fat diet.

The study, published in the journal Experimental Physiology, also casts doubt on the previously held view that increasing the quantity of mitochondria, the tiny structures in cells that convert glucose and fats to energy, would help fix some symptoms of a high fat diet.

The researchers found that the benefits from physical activity were not affected by the quantity of mitochondria.

Insulin is a hormone used to control blood sugar levels. High-fat diets contribute to the development of insulin resistance, which is when their muscle, fat, and liver cells do not respond properly to insulin and leads to the development of type 2 diabetes.

Study lead author Megan Rosa-Caldwell, a doctoral student at The University of Arkansas in US, found that mice genetically engineered to have higher

quantity of mitochondria were not more protected against high-fat diet induced insulin resistance.

The researchers fed all the mice in the study a diet that mimics Western diets high in fat.

The genetically engineered and control mice were further divided into a group that was allowed to exercise, and a sedentary group.

Their results showed that physical activity, regardless of the amount of mitochondria, offered similar health benefits against insulin resistance.

The researchers said that it appears that exercise's ability to help remove damaged cellular materials and enhance the quality of the mitochondria may be more effective for preventing insulin resistance.

But they said these aspects need to be further tested.

Ms Rosa-Caldwell said that with rates of obesity and type 2 diabetes continuing to increase, understanding the cellular processes that help or hurt insulin resistance can help doctors better tailor effective preventative measures such as exercise.

## Hey! My name is Billy!

A 3 year old Greyhound. I am a very stunning, large boy who enjoys nothing more than play time and running around. I'd be happy living with another dog, young children but not with cats or small furries.

A lovely 11 year old female Staffordshire Bull. I'm a very sweet and playful girlie who loves toys and cuddles and I'm still very active for my age. I'd need to be the only pet and I could live with older children.

## Barn owl chicks boxing clever

A WEBCAM in a nest box at Lorton Meadows Nature Reserve in Weymouth has recorded the largest number of barn owl chicks ready to fledge since 2010.

The webcam, which is sponsored by Dorset Tea, has been entertaining viewers all over the UK since April, when eight eggs were laid; a large clutch for barn owls. Viewers have been monitoring the progress of the chicks since, with five owlets now getting ready to leave the box.

Five owlets fledging is seen as a great success story for barn owls, as their numbers have been in decline nationally, with 2013 seeing the worst breeding season in 30 years. The UK population of barn owls fell by 70 per cent between the 1930s and the 1980s. Unusual weather such as long winters, cold summers and wet springs have made it harder to hunt and changes in farming practices and barn conversions to houses have meant nesting sites have been lost.

It is thought that the dry weather in the last few months may have helped the barn owl parents' ability to hunt effectively and feed their chicks.

DWT community conservation officer based at Lorton Meadows, Sam Dallimore, said: "This year the female has laid the most eggs we've ever had in the barn owl box. In the past the owls have laid between four and six eggs, so we were amazed.

"We're thrilled that five have survived so far – the parents have been doing fantastically well to provide all the chicks with food, it's obviously been a very good year for owls!

"I'll be sad to see them go, it's been a privilege to be able to watch them grow and it's been brilliant reading all the owl watchers' comments on the webpage."

For a chance to view the barn owl chicks before they fledge, visit [www.dorsetwildlifetrust.org.uk/raptorcam](http://www.dorsetwildlifetrust.org.uk/raptorcam)

## Rare visitors are making progress

THE increasingly rare Little Terns nesting on the Chesil Beach are doing better than they have for many years.

Volunteers have been keeping an eye on the site in an attempt to stop the eggs, and chicks, being taken by predators – so far with great success.

A total of 48 nesting attempts have been made by around 40 pairs – producing 39 chicks so far, and 42 eggs are still being incubated in the colony.

"We've had no major issues with predation since the chicks hatched, which is amazing, and no recorded losses.

"The kestrels from the Portland nest have been visiting the colony but so far they've been chased off successfully and they don't seem too determined as yet, so it seems like they have adequate food available elsewhere.

"One chick was seen with an injured leg but appears to have made a recovery, so it's all going really well so far," said Scarlett Hutchin, the Little Tern Project Officer.

■ DORSET Community Foundation staff and trustees at Island Community Action, Portland

# Community charity sees where their money goes

PROJECTS in Weymouth and Portland have been visited by Dorset Community Foundation staff and trustees.

The charity raises funds for the county's community groups and also for individuals who are in need.

During their local tour they visited People First Dorset – a county wide charity which provides a social network for adults with learning disabilities.

Representatives from the group explained how the small charity, run by only seven part time staff, engages with over 1,000 participants and supports over 500 people each year. The foundation recently funded the group to produce a directory of services and venue accessibility information for the areas of Dorchester and Weymouth.

Also visited was the Lantern

Project in Weymouth, a charity which helps vulnerable and marginalised people in Weymouth and Portland. The foundation funded the group to expand services in the Melcombe Regis area – one of the most socially deprived areas in Dorset and in the top four per cent most deprived nationwide.

The visits to local funded projects ended with a lunch at Island Community Action on Portland. The charity, which is run by two and a half part time staff, supports more than 800 older people who live on the island. The charity runs lunch clubs, shopping services and other social activities. The foundation funded a lunch club service for older people which not only aims to reduce isolation but also helps to improve and maintain physical and mental wellbeing.

Said Kim Wilcox from Island Community Action: "The foundation's funding has enabled us to extend our lunch club offer to older residents across Portland and Wyke Regis.

"This is a significant development for us, for two essential reasons. Firstly, lunch clubs improve physical wellbeing through the provision of a nutritious, hot meal. Secondly, and equally important, they provide opportunities for socialising, which helps reduce isolation and loneliness. Reduce these two conditions and you also reduce the likelihood of other more serious, long-term conditions arising."

Over the last 17 years the Dorset Community Foundation has funnelled a great deal of support to local groups. For more details on the work of Dorset Community Foundation visit the website [www.dorsetcommunityfoundation.org.uk](http://www.dorsetcommunityfoundation.org.uk)

■ DORCHESTER Strollers travelled to Portland for one of their summer special walks. The group were joined by fellow walkers from the South Dorset Group of the Ramblers. Dorchester Strollers is an accredited Walking for Health Group offering two regular walk occasions each week, Monday mornings and Tuesday afternoons. On each occasion, a slow walk of up to 45 minutes is offered and also a longer faster walk of an hour. The walks are free and led by specially trained leaders. The group is run by volunteers. Programmes can be obtained from Dorchester Tourist Information Centre, by looking on [www.walkingforhealth.org.uk](http://www.walkingforhealth.org.uk) or by contacting the co-ordinator on 01305 263759

## Courses working well for residents

LITTLEMOOR residents have attended the first in a series of courses provided by Weymouth College as part of the Big4Littlemoor Lottery-funded project.

These have included emergency first aid, with ten residents taking the two-part course at Littlemoor Library. The tutor was very impressed by the positive attitude of the group, saying it was one of the best he had worked with.

Rev Lorraine Dobbins, a member of the Big4Littlemoor partnership, said: "Our aim is to raise aspirations in Littlemoor and help people here reach their full potential. We are looking forward to holding more courses in the autumn."

The leisure and workplace skills courses, provided by Weymouth College, will return in the autumn, and will include Spanish, sign language and the history of Weymouth and Portland, and will take place at a variety of sites across Littlemoor.

The course was subsidised by the Lottery-funded Big4Littlemoor community project, which is run and managed by Littlemoor residents.

For more information on Big4Littlemoor, you should visit [www.big4littlemoor.org](http://www.big4littlemoor.org).

Those who would like to contact the college about courses they would like to see offered in the autumn can do so via email to Peter Vowles at this address:

## Memorial project is plane brilliant

VOLUNTEERS have taken part in a workshop at the Weymouth and Portland Borough Council office to build a model Spitfire.

Twenty students from Budmouth College joined forces with women from the Let's Make It Community group, using 9,500 artificial poppies to cover the model plane. Everyone had the opportunity to dedicate a poppy in memory of their loved one.

A presentation was given to the group from a staff sergeant from Blandford army camp who explained how important it is to keep the poppy remembrance going, and he showed clips from films of the repatriation of British soldiers. One of the students read out "a letter home" – which serving personnel were asked to do in case they died during service.

The Mayor, Cllr Kevin Brooks, also spoke to the students and helped attach poppies to the plane.

It will be used as part of the larger display, similar to last year, which which was seen by more than 350,000 visitors to Bovington tank museum. The display this year will be in Weymouth library for five weeks starting at the end of October and going through to the first week in December, with further workshops taking place in September and October.

## Feeding time

THE Weymouth animal charity shop, PAWS, in St Thomas Street, is appealing for donations.

Staff say they are short of cat and dog food – which they hope donors will take into the shop.

**Tunde Jegede and the Art Ensemble of Lagos**

TUNDE JEGEDE is bringing his remarkable and brilliant performance to the Marine Theatre on Sunday, July 23rd at 7.30pm.

Described as a composer, kora player and 21st century Renaissance man, Tunde returns to UK with his new super-group, Art Ensemble of Lagos, direct from Nigeria, bringing with them a sparkling set of celebratory songs and soulful ballads that are a mix of jazz, afro-beat and world music. The Art Ensemble of Lagos has a definitive sound that is distinctly their own. With their contemporary songs and evocative Malian vocals, this music will lift the spirit and speak directly to the heart.

Tunde Jegede & the Art Ensemble of Lagos are releasing their debut album this summer; The Waters, that mirrors the old with the new world, a dialogue between composition, contemporary music and a renewed vision of an oral

tradition rooted in the culture of the Sahel - the Griot vision.

The Marine Theatre is proud to be part of their first UK tour, part of the New Horizons International Initiative which co-ordinates cultural exchange programmes between West Africa and UK.

Tunde Jegede and the Art Ensemble of Lagos will be performing at the Marine Theatre this Sunday, July 23rd, the Marine Bar opens at 6.30pm and the performance starts at 7.30pm. Tickets are just £10 (concs £8) and can be bought online at the website [www.marinetheatre.com](http://www.marinetheatre.com) or from our Box Office 01297 442138

**Scottish Guitarist Joss Kidd wows with his Jazz Mastery**

■ Joss Kidd

GUITARIST Joss Kidd has a style shaped both by legendary jazz pioneers Jim Hall and Tal Farlow, and also more contemporary players including Gilad Heskelman. Born in Scotland, Joss performed with the National Youth Jazz Orchestra of Scotland before moving to London to study jazz at university. Since moving to Devon he has performed with some of the top musicians in the South West including frequent appearances with the Ronnie Jones Quartet. He will be playing at the Marine Theatre Bar on Sunday 30 July accompanied by pianist Philip Clouts who has played internationally including appearances at Ronnie Scott's Jazz Club in London and the Glastonbury Festival.

Joss was born in the small seaside fishing town

of Oban on the northwest coast of Scotland and moved to Glasgow at an early age. It was in Glasgow where Joss started to take an interest in jazz, becoming involved with jazz workshops and big band at the Glasgow Arts Centre and performing with the National Youth Jazz Orchestra of Scotland (NYJOS).

Aged seventeen Joss moved to London to study jazz at university. He was taught harmony and theory by Pete Churchill (Jazz Education award 2007) and Nikki Iles (Jazz Education award nominee 2007 & 2009) and had guitar tuition under the guidance of multi-instrumentalist Stuart Hall and Phil Robson (winner of 'Best Jazz musician of the Year' 2009). Joss also developed his performing skills with tuition

by founding members of Loose Tubes, Eddie Parker and Chris Batchelor.

After graduating with an honours degree in Jazz (BA Music Jazz Studies) Joss stayed in London for several years working professionally before studying for a Post Graduate Certificate in Education (PGCE) and moving to Devon where he still resides.

Playing in the intimate surroundings of the Stage Door Bar this will be an evening featuring many favourites in a wide-ranging selection from the jazz repertoire.

Jazz in the Bar with Joss Kidd comes to the Marine Theatre, Lyme Regis on Sunday, July 30th at 8pm. Tickets are £12 and £10, available by calling 01297 442138 or online at [www.marinetheatre.com](http://www.marinetheatre.com)

## HAYNES MOTOR MUSEUM

## BURSTING WITH FUN-FUELLED TIMES AT HAYNES INTERNATIONAL MOTOR MUSEUM

THERE'S a world of fun-fuelled action and excitement just waiting to be discovered at the multi-award winning Haynes International Motor Museum, the UK's largest exhibition of the greatest cars from around the world.

Younger visitors are able to test their driving skills at the awesome Haynes Motorland outdoor activity centre, which is packed with a myriad of motoring-themed interactive games and miniature vehicles for children.

The construction zone has a host of impressive looking, large scale adventure play JCB diggers in a giant sand pit, with the coin operated Super diggers where you can operate an actual digger bucket. There is a play petrol station, garage and realistic road layout.

Children can challenge themselves on 'Haynes Hatch' go-kart race circuit with its coin-operated electric vehicles, as well as the Vroom Room; featuring a soft play area for younger visitors.

The 'Supercar Display' in Supercar Century has an iconic 1981 Lamborghini Countach 400s, a 1995 Jaguar XJ220 and a 1973 Porsche 911 RS Carrera on show.

The Motorcycle Mezzanine houses around 70 motorbikes including motorcycles from around

the world and the Forshaw Speedway Collection, the world's largest and most complete speedway display.

Throughout the summer the Museum is bursting with lots of exciting and fun activities, including Sparky Trail, Tour and Talks, and Discovery Days every Tuesday and Thursday starting on the 25th July. Aimed at families, this is a fantastic chance to explore the Museum and our Education Centre, as well as getting hands on with some artefacts from our motoring past and present. All of these activities are offered at no extra cost over the normal admissions price. ## 6 MISTAKES YOU'RE MAKING WITH YOUR SUNSCREEN

By Katie Wright, Press Association

### 1. Applying sunscreen in the sun

Any application in direct sunlight increases evaporation by up to 60%, reducing protection. Put it on at least 15 minutes before you go out. Get a good coverage and let it sink in.

### 2. Skipping your lips

Lips are often forgotten and with no natural shade like the lower lip, the upper lip area in particular shows ageing from sun damage more quickly.

### 3. Not topping up enough

Consumers should also be mindful of the activities they perform whilst wearing sunscreen. Sweat, exposure to water, towel drying and anything that rubs against the skin can significantly diminish your level of protection. To receive a sunscreen's full protective properties, you should be topping up your application every two hours.

### 4. Not checking the expiration date

An Asda survey revealed that 57% of Brits are wearing out-of-date sunscreen. Check your product for shelf life, the average is just 6-12 months.

### 5. Not slapping on enough product

It is recommended that a minimum quantity of 35ml is sufficient for all-over body protection. If you reduce the required amount, then the level of SPF

protection will decrease significantly. That's about two tablespoons. As a rule, you should always use an SPF15 product or higher at the start of sun exposure. You can always choose a lower factor later.

### 6. Only using SPF on holiday

There is a common misconception that sunscreen is only necessary in the summer months, or worse still, just for the beach or pool. The truth is UV rays are everywhere, and whether you're enjoying a summer stroll or taking refuge from winter winds near a brightly lit window, you're still being exposed to damage. Daily, year-round application is essential if you wish to shield skin from photodamage.

## 10 CLEVER OUTDOOR GAMES TO KEEP YOUR CHILDREN ENTERTAINED THIS SUMMER

WWW.NETMUMS.COM

**1. Bottle bowling**

Fill 10 bottles with water to use as pins - you can add food colouring for extra effect, or put a glowstick in each for after dark.

Use a football or basketball to knock down as many as you can.

**2. Swingball**

No one to play tennis with? No problem! Your child can hone their racquet skills on their own, or compete against a partner.

**3. Bean bag ladder**

Write points in multiples of 10 on paper and tape each sheet to a rung of a step ladder. Put the lowest score on the bottom rung and the highest on top.

Stand back and aim bean bags through the gaps between the rungs and see who can score the most points.

**4. Water balloon dodgeball**

Perfect on a hot day. Give each child an arsenal of pre-filled water balloons and let them go wild. The wetter the better!

**5. Lawn darts**

A far safer alternative to the indoor version

Get your kids to throw giant darts at a target on the ground - will they score a bullseye?

**6. Slip and slide**

Get a large sheet of polythene, such as a groundsheet from your camping kit, stretch it out over your lawn and secure it with tent pegs.

Then turn on the sprinkler, add a generous squirt of baby bubble bath and let your kids slip and slide themselves silly.

**7. Noodle tag**

Chop a swimming pool noodle into two or three pieces, and give one to each player.

The aim of the game is to 'tag' each other with the lengths of noodle.

**8. Colour fight**

You've probably seen pictures of colour runs, where competitors get plastered in paint as they run.

Now you can host your own version at home, using holi powder paint, which is easily available online and designed to be thrown. Old clothes essential...

**9. Frisbee**

Who doesn't like a game of Frisbee?

Make it more of a challenge by playing Frisbee golf, where your kids have to try to throw it into targets made from hula hoops or cardboard boxes.

**10. Nature bingo**

A scavenger hunt with a twist. Make up some bingo cards with objects for your children to find in the great outdoors (feather, pine cone, butterfly).

Put about 16 on each card. Then set them free in the garden or park and see who'll be the first to check off every item.

## Comedy Café's Big Night Out

STAR OF *Mock the Week* and *Live at the Apollo*, Ivo Graham will headline this month's Comedy Cafe 'Big Night Out' show at the Bridport Arts Centre.

The special 'Big Night Out' show sees the comedy cafe move from its usual Wednesday night home in the cafe to the main theatre with a Friday night show offering three headline acts for the price of one. TV star Ivo Graham will be joined by former English Comedian of the Year, Jack Campbell, and internet sensation Louis Burgess.

Apologetic Eton and Oxford alumnus Ivo Graham started stand-up in 2009 at the age of eighteen and eight months later became the youngest ever winner of the prestigious "So You Think You're Funny" award for new acts at the Edinburgh Fringe.

This led the following year to nominations for Chortle Best Newcomer and Leicester Mercury Comedian of the Year, and performances at Montreal's Just For Laughs Festival, and the Hollywood Fringe and he's since established himself as a regular on our TV screens with a gauche charm and crafty, self-aware wit which has proved a hit with audiences of all ages.

Opening the show will be Jack Campbell, who since being crowned English Comedian of the Year in 2014 has gone on to perform internationally and taken two solo shows to the Edinburgh Fringe Festival. Jack is known for his finely polished yet off beat brand of comedy and expertly observed routines on everyday life.

In the middle will be internet sensation Louis Burgess who's online comedy videos have received millions of views worldwide. Based in Devon Louis has been a regular on the south west scene for a good few years but has recently found internet fame now boasting more than 50,000 followers on his Facebook fan page.

Completing the line up as ever will be local comedian and regular host of the Comedy Cafe, Tom Glover.

The BAC Comedy Cafe will be at 8pm on Friday, July 21st. Tickets are £8 adults/£6 concessions and available from the arts centre box office on 01308 424204

## This week's releases

### DUNKIRK <sup>12A</sup>

Allied soldiers from Belgium, the British Empire, Canada, and France are surrounded by the German army and evacuated during a fierce battle in World War II.

Stars Fionn Whitehead, Kenneth Branagh and Mark Rylance, directed by Christopher Nolan.

### LITTLE BIRD'S BIG ADVENTURE <sup>U</sup>

EVEN though everybody else thinks he's a sparrow - Richard himself holds tight to the conviction that he is in fact a stork.

Animation with voices from Tilman Döbler, Cooper Kelly Kramer and Shannon Conley.

### CITY OF GHOSTS <sup>18</sup>

A DOCUMENTARY that follows the efforts of "Raqqas Is Being Slaughtered Silently," a handful of anonymous activists who banded together after their homeland was taken over by ISIS in 2014. With deeply personal access, this is the story of a brave group of citizen journalists as they face the realities of life undercover, on the run, and in exile, risking their lives to stand up against one of the greatest evils in the world today.

## Jaguar E-PACE - the compact performance SUV with sports car looks

THE Jaguar E-PACE is a five-seat compact SUV that packs the design and performance of a Jaguar sports car into a spacious, practical and connected all-wheel-drive vehicle.

The E-PACE is the newest member of Jaguar's SUV family following Jaguar's first all-electric SUV, the I-PACE Concept and the World Car of the Year-winning F-PACE performance SUV.

The exterior design is inspired by the F-TYPE sports car and is characterised by the distinctive Jaguar grille, muscular proportions, short overhangs and powerful haunches. Optional 21-inch alloy wheels give the E-PACE a bold and purposeful stance, instantly communicating dynamic agility. Jaguar sports car DNA is also evident in the fast sweep of the roofline and the distinctive side window graphic.

### FIRST EDITION: FULLY EQUIPPED AND PERFORMANCE DRIVEN

The E-PACE First Edition is available for the first full year of sales, powered exclusively by Jaguar's 180PS Ingenium diesel or 249PS Ingenium petrol en-

gines paired with the nine-speed ZF automatic transmission. First Edition models are carefully specified to showcase the E-PACE's unique design, performance and practicality – based on the R-Dynamic SE specification pack.

Three colour options are available – Caldera Red, which is unique to the First Edition for the first 12 months, Yulong White and Santorini Black. Gloss Black detailing and distinctive 20-inch Satin Grey diamond-turned, split-spoke alloy wheels complete the exterior look.

A special soft grain Windsor leather interior in Ebony with red contrast stitching and an Ebony suedecloth headlining give the cabin a distinctive appearance. Configurable ambient mood lighting and the natural light from the panoramic roof perfectly complement the spacious interior. Jaguar's next-generation TFT Head-Up Display, additional charging points and loadspace rails ensure the First Edition has the perfect blend of personality, technology and real-world practicality.

Additional highlights in-

clude Configurable Dynamics, a gesture-controlled tailgate and Jaguar Activity Key, along with unique First Edition carpet mats and treadplates.

### R-DYNAMIC PACK

Specifying the R-Dynamic model enhances the Jaguar's sporty streak, providing body-hugging sports seats with contrast stitching and a Jet Morzine headlining. Brushed stainless steel treadplates and pedals combine to create a sports-focused interior while soft-grained leather on the R-Dynamic-branded steering

wheel and the addition of gearshift paddles provide more focussed benefits.

On the outside, the R-Dynamic features styling details designed to enhance the E-PACE's stealth, power and refinement. Front fog lights with a Gloss Black finish are complemented by a similar finish on the grille, rear valance and tailpipe finishers. Body-coloured wheel-arch surrounds and satin chrome highlights on the side vents and grille surrounds also distinguish R-Dynamic derivatives.

## Beware of 'Black Saturday' on the roads

THE most dangerous time to be on Britain's roads this year is this Saturday (July 22) at 2pm, according to new research.

'Black Saturday' occurs because of a perfect storm of factors including peak traffic volumes in July, the start of the children's school holidays and the great summer getaway all happening at the same time.

More vehicle collisions occur in the summer months of July and August - 2,330 serious and fatal collisions in July and 2,148 in August.

This compares with only 1,578 in January and 1,544 in February - the safest and shortest months of the year.

Despite the fact that winter months generally bring more difficult driving conditions like icy roads and poor visibility, there are 27.5% more road incidents in the summer - 33,312 in July and August, compared with the winter 26,122 (January and February).

This increase is due to the greater number of motorists on the roads, with the vast majority of families choosing to take their summer holidays at this time. Incidents rise sharply during June and July, hitting a peak at the end of July.

This year, Saturday July 22 is the predicted to be busiest day of the year on the roads.

Motorists are expected to take to their cars in droves with all schools having broken up for summer.

Saturdays are the worst day for crashes during the summer when car drivers are nearly twice as likely (1.7 times) to be distracted or impaired in their driving than compared weekdays.

The busiest time on the roads will be at 2pm when the 'great escape' is in full flow.

The most dangerous day on the roads has been identified by VisionTrack, Britain's leading in-vehicle CCTV firm, using official Department of Transport data and its own insurance reports showing peak times for collisions in previous years.

VisionTrack managing director Simon Marsh said: "We are asking motorists to take extra special care when starting out on their summer holidays. The most common cause of road collisions is not poor road conditions or your car, it's bad driving.

"The summer months have the highest number of road collisions and Saturday July 22nd is likely to provide the perfect storm for poor driving conditions.

## Jeep announces new limited edition Wrangler Rubicon Recon

JEOP continues to expand its popular range of Wrangler 4x4 vehicles with the introduction of a stunning new limited edition, the Rubicon Recon.

Revealed at this year's Geneva Motor Show, the Jeep Wrangler Rubicon Recon brings to the most capable production vehicle in the world even greater capability, including more protection from the most severe, rugged off-road terrain. The new special edition model will offer improved 4x4 capability thanks to specific off-road components including a stronger front axle and heavy-duty cast rear differential covers.

Based on the existing Wrangler Rubicon model, the new Recon adds attractive adventure styling to the legendary 4x4 capability and open air freedom, thanks to equipment such as 18-inch Low Gloss Granite Crystal painted aluminium wheels, a black dual top (including both soft and hard-top options), and a dual-vented Power Dome hood with a black-silhouette "Rubicon" decal featuring red accent lettering on both sides. A Trail Rated logo with red accents, a black fuel filler door, and a black hard spare tyre cover complete the package.

A black-and-red theme characterises the inside of

the new Wrangler Rubicon Recon. Red accent stitching adorns the standard black leather heated seats with a "Rubicon" embroidered logo. Black vinyl-wrapped front door armrest and console lid with black stitching, red accent netting on front door pockets and the centre console, unique leather-wrapped steering wheel and red accent coloured seatbelts help to distinguish the Recon from the rest of the Wrangler line-up.

The new Jeep Wrangler Rubicon Recon special-edition model comes in two- and four-door specification and is powered by Jeep's 3.6-litre V6 petrol engine delivering

284 horsepower, matched to the automatic five-speed gearbox. It comes in three exterior colours: Gobi, Bright White, and Granite Crystal.

The new Jeep Wrangler Rubicon Recon will cost £40,505 OTR (two-door) and £42,175 (four-door) and is on sale now.

## Batey brothers half centuries guide first XI to comfortable Countess Wear victory

**Tolchards Drinks Devon League Division C (East)**  
**UPLYME & LYME REGIS 1ST XI**  
**BEAT COUNTESS WEAR 1ST XI**  
**BY 74 RUNS**

(Uplyme 20pts, Countess Wear 8pts)  
UPLYME & Lyme Regis cruised to victory of Countess Wear on Saturday, with a the Batey brothers top scoring, and 3 wicket hauls for Rhys Davies and Liam Gorfine.

Countess Wear skipper Mark Davey won the toss and elected to put the visitors in to bat.

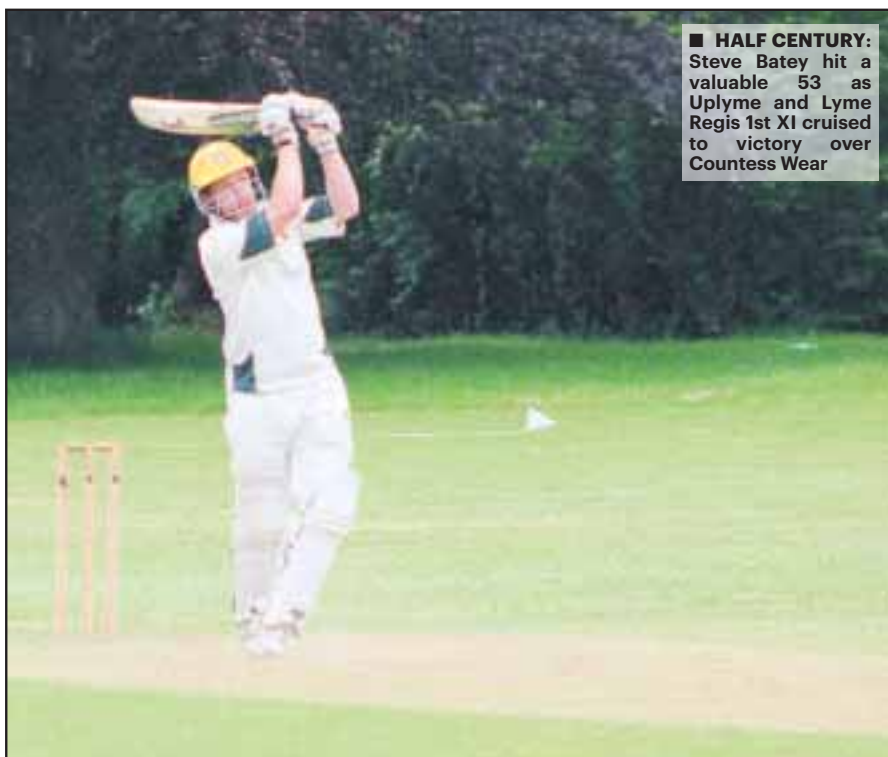

Openers Laurie Thomas (12) and Liam Gorfine (26) got the scoreboard ticking, but it was half centuries for Mark Batey (75) and Steve Batey (53) that put Uplyme and Lyme Regis in the commanding position. Further useful knocks from Rhys Davies (24) and Jedd Whittington (32) saw the visitors finish their 45 overs with a handy 269 for 8.

Pick of the home team's bowlers in the first innings was Parminder Singh, taking 2-61 from 9 overs.

The home side got off to a steady start on their chase, with the first wicket falling with 39 on the board. Opener Kaveenga Dias finally fell for 69 at 128-3 off the bowling of Kaveenga Dias, and the collapse began.

Spinners Rhys Davies and Liam Gorfine swiftly removed six further Countess Wear batsmen, with the scoreboard sitting at 177-9, before Steve Batey took his second wicket of the innings, wrapping up a comfortable win and bowling out the home side for 195.

**The club's 2nd XI failed to raise a team for the second week in a row, this time for the scheduled visit of league leaders Uptonery to the King George V Playing Field. The team are now firmly rooted to the foot of 2nd XI Division C (east) on 42 points, having been docked a further 10 points this week.**

## Bridport RFC Sponsors Draw 2017

AFTER their exciting win last weekend by the Lions in the second test nearly 100 people were at the clubhouse this Saturday to see if the Lions could clinch the Test series against the All Blacks. As per the last two weekends an excellent breakfast was provided by club members Julian Hussey and Guy and Gill Livingston. What followed was an amazing match which arguably the All Blacks should have won, but they were denied at the death by an Owen Farrell penalty to equalize the scores and a controversial decision by French referee Roman Poite not to award them a last minute penalty which would have won the match and the series.

At half time the club held their annual sponsors draw which was superbly supported this year by 69 local businesses. Pictured making the draw are Deputy Mayor Barry Irvine with last year's club captain Tom Gamwell and Chairman Allan Staerck.

First out of the hat and main shirt sponsor was C G Fry, second was Bridport based Footprints and third A G Down, the last two companies will have their logos on the shirt sleeve shouldered.

The installation in the clubhouse of the new wide screen television has been very successful and it will be well used in the forthcoming Autumn Internationals and next year's 6 Nations Championship.

## Records tumble in sports day bonanza

IT HAS been another fantastic year for the Sir John Colfox Academy athletics team this year which was capped off by a highly competitive sports day, where incredibly 11 school records were broken.

Both Olivia Willmore and Maddy Herbert broke four records each in the year group. Willmore's Year

10 successes included the 300m Hurdles which has been held by Claire Mudford since 1994, whilst Herrbert smashed the 25-year Year 9 800m record held by Rose Meller.

Bronwyn Wright's leap in the Year 10 long jump resigned Kate Hurdley's 1989 leap of 4.75m to the files, whilst Lea Devcsery and

Fin Cauldwell were the other two to rewrite the records.

As ever sports day was keenly contested and the participation was as high as ever. In the end Fleur De Lys ran out the eventual winners, meaning they have now won the cup four times in the last five years.

Over the season twenty athletes were selected to represent West Dorset at the County Championships with many individual top three performances, whilst Olivia Willmore was crowned South West England Champion to go along with her county title, and was se-

lected to compete in the English Schools final in Birmingham.

Athletics coach Andy David said: "It's been another incredible year, and demonstrates the talent we have at the Academy."

## Dorset Funeral Plan League

## DORCHESTER (20) 104-1 BEAT SHERBORNE (1) 103 ALL OUT BY 9 WICKETS

DORCHESTER recovered from their defeat at Martinstown by trouncing Sherborne with opening bowlers Josh Richardson (5-35) and James Dunham (4-36) in devastating form.

Winning the toss, Dorchester decided to bowl and take advantage of the overcast conditions and apart from Tom Harris who batted superbly well in the circumstances for 47, the visitors couldn't deal with their pace and guile. He helped Sherborne reach three figures before he was bowled with Simon Mitchem's second ball to close the innings.

Sherborne also extracted something from the conditions with the Dorchester batsmen having to be diligent.

They lost Dan Belt (7) to a brilliant one-handed catch by Emlyn Kuhn with the score on 31, but Will McKay (52no) and Mitchem (28no) sensibly saw them home.

Skipper Mitchem was full of praise for Richardson and Dunham saying: "They put the ball in the right areas and bowled superbly, taking advantage of the conditions. Never did I think we would knock them over for just over a hundred, but as I have said before, our bowlers are capable of doing that."

Martinstown Shroton (20) 157-5 beat Martinstown (4) 156 all out by 5 wickets

Despite a sterling 74 from captain Ed Nichols from just 83 balls, Martinstown's batting failed once again, with only three others reaching double figures.

In reply there was early success for Liam Banfield (2-40), but a series of useful contributions topped by an unbeaten 43 from captain Marc Doble saw Shroton comfortably home with almost fifteen overs to spare.

As a consequence Shroton have now leapfrogged Martinstown, leaving the West Dorset side two from the bottom.

## County Division 1

## CATTISTOCK (2) 102 ALL OUT LOST TO CHRISTCHURCH (20) 103-3 BY 7 WICKETS

A depleted Cattistock were no match for their visitors, especially opening bowler Liam Bowater (5-19) who bowled Jon Legg second ball and them after removing Brad Johns for a duck, castled Steve Tucker's stumps first ball to leave the host's 8-3.

Whilst Martin Langford (14) held on in there that was soon 25-5.

However some big hitting from Tim Hey (38) dropped a minor recovery and with Robert Nobbs (14no) they added 43 for the seventh wicket before the tail end collapsed to leave Cattistock 102 all out.

Christchurch coasted to victory in just over 20 overs with Brad Damen at first change, the most successful bowler with 2-20.

## Weymouth

Hamworthy Rec (20) 241 all out beat Weymouth (7)

145 all out by 96 runs

Weymouth encountered one of those rare events where nine batsmen score useful runs, eight of them between 20 and 32, allowing the hosts to set a challenging target of 241 all out.

Wickets were shared with, Neil Walton picking up 3-42, whilst Cube Whyte (2-28), Harry Mitchell and John Ryan all bagged a brace.

In reply Weymouth lost Walton for a single with just two on the board, and despite some useful contributions from Dean Janaway (14), Kieron Womble (28), Paul Collins (26) and Whyte (26no), no one else was able to match their opposite numbers score, and as a consequence they were dismissed well short of their target.

## County Division 2

## PORTLAND RED TRIANGLE (18) 79-5 BEAT WITCHAMPTON (2) 78 ALL OUT BY 5 WICKETS

Simon Proffitt continues to terrorise batsmen as he followed up his seven wickets last week with a fifer. He ran through the top order in another devastating display to record 5-17 from nine over, And with Rob Townley (2-31) and Matt Barrett (2-6) getting in on the act, they dismissed the visitors for just 78.

PRT looked to be cruising to victory despite the loss of Ray Emery (16) and Matt Randell (28), bit with victory in sight James Bennett produced a Proffitt like display, grabbing three wickets for one run in nine balls, including Proffitt (24) to make it closer than it might have been.

## County Division 3

## KINGSTON LACY (5) 95 ALL OUT LOST TO BEAMINSTER (18) 154 ALL OUT 59 RUNS

Beaminster's tailender's produced a stunning counter attack to enable the visitors to post a competitive total of 154 on a difficult batting surface at Kingston Lacy.

After losing the toss, all of the batsmen struggled to score against tight and accurate bowling on a surface with unpredictable bounce. Opener Ross Baker (18) battled for 21 overs before being victim of the excellent James Holton (5-8 from 9 overs).

The middle order collapsed disappointingly; four batsmen were bowled without scoring; and at 68-8 Beaminster were in desperate trouble before two fantastic partnerships involving Pete Bustin (56) who smashed five huge maximums for his highest Beaminster score.

Dave Persey (8) help him add 51 for the ninth wicket, before Bustin was dismissed following a last wicket stand of 35 with the returning Ben Holley (14 not out) who enjoyed himself hitting a flat six and a boundary.

In reply, the momentum of the game swung in Beaminster's favour when Justin Gurd took an excellent catch in the deep to dismiss the dangerous K Jones in the second over of the chase.

Four wickets quickly followed as the Beaminster

bowlers took control with Nick Holley (2-29) and Ross Baker (2-23) extracting variable bounce and movement off of the pitch, whilst the fielding was superb, including a brilliant direct hit run out from Ben Holley. Will Moss broke a dangerous sixth wicket partnership as he continued his remarkable form by taking 4-10 in 5.1 overs as Kingston Lacy subsided to a 59 run defeat, giving Beaminster their fifth consecutive victory in a row.

## CHARLTON DOWN (20) 62-1 BEAT HAMWORTHY REC 2ND (0) 60 ALL OUT BY 9 WICKETS

Kim Park (5-12) was the star as Charlton Down continued their impressive unbeaten run, extending it to eleven matches with an emphatic nine wicket victory over an experienced Hamworthy 2nd team.

Despite this experience, the visitors found run scoring difficult against the miserly bowling brothers of Matt and Dan Stevens. Dan Stevens was particularly stingy conceding only seven runs from seven overs and picking up two wickets. Stevens was almost unplayable at times as the batsmen were unable to get a bat on the moving ball of Stevens.

After 14 overs Hamworthy were 24-3. A double bowling change saw James Pretty

(1-20) bowl Greg Regan, before the controlled spin of Kim Park struck five times in as many overs as Hamworthy collapse to 60 all out. Park bowled with great control, his line and length forcing the batsmen into some poor shot selection as Charlton Down passed the 100 wickets and later the 2000 run mark for the season to date.

Charlton Down's openers were soon on the back foot with the pace of Gerard Benfield having them in all sorts of problems. Wimborne footballer, Benfield is by far the quickest bowler to play at the Herrison Oval for some time, extracting good bounce which was passing by the chins of Jae Miller and Jack Eveleigh. At the other end saw Dorset Over 50's bowler Mike Fisher extracted good movement and had Eveleigh leg before wicket with the score on seven. Benfield was unlucky not to have picked up two or three wickets as the inside and outside edges of Miller (30no) and Nick Voss (25no) raced to the boundary.

However they batted well to see Charlton to victory in only the 15th over to secure the second double of an already amazing season.

## DORSET INDIAN TIGERS (17) 118-8 BEAT DORCHESTER 2ND (5) 116 ALL OUT BY 2 WICKETS

Dorchester produced a disappointing batting display at Branksome where only Eiron Fitzgerald (28) and Mike Whitbread (18) got into double figures, and as a consequence set the Tigers a small target.

However they also struggled as Mike Peak (3-24) whipped out their openers. They looked to have recovered as Sithambaram (24) ad Shafiq Uriah (31) produced a fourth wicket stand

that looked to see them home. However Ollie Osborne made them think as he snafled 4-30, and it was only a solid unbeaten 18no from Chakrapani that saw them home by two wickets.

## County Division 4

## WAREHAM (19) 169-5 BEAT ABBOTSBURY (6) 167-8 BY 5 WICKETS

Relegation threatened Wareham gave themselves a chance of Division 4 survival with this victory over Abbotbury who are now dragged into the battle.

Asked to bat the visitors got off to a solid start with Frank Pittman (46) looking dangerous. However some tight bowling from the hosts restricted the scoring rate, and despite good contributions from Kynan Brian (33) and Chas Duerdoth (28) they were unable to set Wareham a challenging total.

Abbotsbury's opening bowlers Grafton Straker (2-18) and Duerdoth (1-23) were equally mean from their eight overs each, with Straker having both openers caught behind by Andrew Wood.

However Harry Wright (82) changed the game Wareham's way and with good support from his colleagues Wareham claimed victory with over five overs to spare.

## PUDDLETOWN (20) 275-4 BEAT CHALKE VALLEY (10) 260 ALL OUT BY 15 RUNS

This game was a fine advert for local cricket, with 535 runs scored, and with the home side emerging the victors by just 15 runs, thus retaining top spot in the league table.

Another fine opening partnership of 147 between Albie Stevens (63) and Lucas Allen (82) supported by Tim Orford (44 no), Mike Crabb (24), Adam Barrett (27) and Adam Weir (25 no), resulted in Puddletown posting a challenging score of 275-4.

A solid opening partnership of 52 between Antony Mercer (26) and John Parsons got Chalke Valley's reply off to a steady start, before Parsons was dismissed by Laurie Stevens (2-17). After Mercer (26) and Monaghan (13) had been dismissed, Harry Hitchings (54) joined Ben Millar (76) and they looked as though they might threaten the Puddletown total as they added 95 for the fourth wicket before Hitchings was dismissed by Callum Chaldicott, with a fine catch off his own bowling.

When Millar fell to a catch by Barrett off Orford, wickets began to tumble at regular intervals, with three of the remaining batsmen being run out as the visitors desperately tried to reach the target total, but fell tantalisingly short.

## County Division Five

## MARTINSTOWN 2ND (20) 181-9 BEAT MARNHULL 2ND (9) 179 ALL OUT BY 1 WICKET

This week it was Martinstown's turn to be the winner's of a thriller.

Put into bat Marnhull's experienced captain Christopher Ralph (48) led the way as they put on an opening stand of 78. How-

ever his demise saw Martinstown's bowlers get on top and with Guy Watson (2-32), James Hernon (2-11) and Jensen Stewart (3-22) regularly taking wickets they were dismissed for 179 all out.

Tom Rimmer (19) and Jack Kane gave the hosts a solid start in reply, but it was an unbeaten half century from Lawrence West (55no) that held their innings together, and he and last man Grant Nevan (7no) saw them over the line with an over to spare.

## WITCHAMPTON 2ND (20) 202-2 BEAT PORTLAND RED TRIANGLE 2ND (3) 110 ALL OUT BY 82 RUNS

Second place Portland had the opportunity to put distance between themselves and Witchampton who are third. However a below par performance saw the hosts draw level on points.

Electing to field in overcast conditions, opening bowlers Tom Dalkins (0-19), returning after injury, and Jodie Locke (0-19) both bowled superbly in their eight overs without success. Dalkins repeatedly beat the bat with a number of superb balls, and was unlucky when Paul Allaway was dropped early on.

The Witchampton opener took advantage of his luck, going on to carry his bat for 87 and providing the platform in an opening stand of 125 with Chris Heighway (48). He was caught and bowled by Tony Morris soon after coming on to bowl.

With support from Rob Coomer (19) and Chris Vaughan (26no), Allaway saw his side to 202-2 in their allocation.

PRT got off to a bad start and were soon 18-3, and despite solid contributions from Dave Adkins (26), Ollie Whisker (25) and George Linley-Munro (34) nobody else could contribute much and they were dismissed for 110 all out.

Captain Linley-Munro said: "It was disappointing to lose, and although we bowled okay, we didn't bat well enough. Tom (Dalkins) was superb coming back from injury, and was so unlucky. He was just too good for the batsmen. He bowled a number of absolute jaffas."

## County Division Six

## SYMENE (8) 227 ALL OUT LOST TO BRADFORD ABBAS (20) 273-7 BY 46 RUNS

This was an excellent game befitting two of the sides vying for promotion.

Fielding first there was early success for Symene when George Wyrill (2-28) bowled Dan Kennett (6). This brought Jake Williams (95) to the crease to join his brother Ben and they set about the home bowlers adding 110 for the second wicket before Graham Bartlett bowled Ben Williams for 47.

Although Marcel Grunschloss (2-32) quickly dismissed Mike Roberts (5), Jake Williams (10x4, 5x6) continued his onslaught supported by useful partnerships, before he was finally bowled by Grunschloss, five short of a deserved century as Bradford Abbas' innings closed on 273-7.

It looked like Symene were in for a heavy defeat as they slumped to 100-5 with only Grunschloss (28) showing much resistance.

However Robin Jones was joined by Bartlett and they started to turn the tide. They added 101 for the sixth wicket and with the visiting bowling and fielding looking decidedly ragged as they toiled, Bartlett (46) feathered a catch behind to give them hope.

Although Dan White (21) gave him support, he was left stranded on 81 not out having struck five fours and six massive maximums, as Symene eventually fell 46 runs short.

WEYMOUTH 2ND (20) 81-2 BEAT STALBRIDGE 3RD (2) 80 ALL OUT BY 8 WICKETS

Weymouth completed a comfortable "home" win over a spirited but under strength Stalbridge side, in a game played at Abbotbury due to the unavailability of Redlands.

Weymouth, comprising a side of youth and experience opted to field, and although opening bowlers Tim Guyett and Jack Taylor got little response from a wicket that was slow and flat, wickets fell gradually, with Guyett, Ben Hunter, Olly Gordon and Tom Anderson picking up one each. New comer Andy Loveless was the star on his debut taking three good wickets as Stalbridge were cleaned up for just 80 after 30 overs.

In reply Weymouth batted resolutely, Tony Quayle (17no) and Pete Gordon (16) scoring slowly against some quality and varied bowling. Following Gordon's dismissal, Taylor (27) set about the bowling with aplomb, hitting several sublime shots, before debutant Kevin Tissera (16no) struck the hosts to victory.

A grateful captain Pete Gordon thanked Abbotbury for the loan of the pitch whilst praising his youngsters "who showed further improvements and are developing a good team ethic".

## Tight at the top in Evening League

THE EVENING League top of the table clash between the leaders Pirates comprising Jackie White, Sue Caen and Phil Hedges, and Peter Varney, Len Guppy and Andy Marsh of second placed Totities ended in a 11-11 draw, leaving Pirates two points ahead.

However its getting tighter at the top after Phil Tattereshall, Eric White and Peter Sandall's Potters joined Totities in second spot after taking advantage and defeating Chancers 12-8. Sylvia and Mike Fletcher and Brian Baker's Butlins finished with a 5.1 flourish to beat Wyverns 18-9, whilst Geoff Hansen, Erica Sarson and Jenny Harding's Dingos

downed the Gazelles 20-11. Brian Suffling, David Aylott and Paul Hallett's Was-up finished 2.5 in beating Renegades 16-9, and a two count on the final end gave Keven Rendell, Mel Hargett and Margaret Pestelle's

Jackpots a 11-10 win over Lillywhites.

in the Morning League after beating Mannequins 18-10, with Mike Long, Mike Cash and Hedges Old Timers moving into second after a 12-8 win over Bandits.

Mike Loud, Val Dodd and Bob Hill's Hillbillies beat 4 Menandalady 14-5, but were then beaten 19-10 by Roy Nicoll, Penny Pither and Erica Sarson's Wickers. Nicoll, Sarson and Barry Mapson sealed a great week for the Wickers as they then defeated the Scuttlebutts 15-11.

Subs Wendy Syms and Mike Parsons joined Brian Legg's Hotspurs as they recorded a 12-11 win over Grumblers.

## Mixed fortunes for men as ladies washed out

ALL the ladies league games were called off due to rain, but the men had a busy week with mixed fortunes. Bridport A continue to head the SDL Div 1 after their rear-

ranged game against Portland Victoria very nearly saw a clean sweep in winning 65-46 overall to claim eight points. Craig Bosher, Tom Tocher, Brian Conisbee, Chris Thorne lost by one shot 16-17; Brian Iverson, Ben Jones, Mike Smith, Bob Taylor 22-17; Dave Roberts, John Carter, Barry Shortland, Bill Payne 27-12.

However in Div 2, Bridport B replaced their victors Wellworthy B at the bottom after they were beaten 44-61, losing on all three rinks and consequently no points.

Chris Taylor, Steve Bartlett, Phillip Wilson, David Smith 10-21; Roy Lidington, Mike Craddock, Peter Scott, Fred Pomeroy 17-21; John Tunney, Bob Willcox, Mel Griffiths, Mike Solomon 44-61.

In the Dorset County League Championship Division, Bridport lost to by just one shot to Dorchester, 57-58 with one winning rink earning them two points. Payne, Carter, Shortland, Conisbee 24-13; Bosher, Tocher, Brooks, Thorne 18-20 after losing shots on last end; Iverson, Smith, B Tay-

lor, Rumble 15-25.

There was defeat also for the A team against Greenhill A, losing on all the rinks 48-68 overall. Willcox, Griffiths, Scott, Sanger 17-23; C Taylor Bartlett, Solomon, Smith 16-26; Craddock, Carnell, Tibble, Pomeroy 15-19.

However in DL West Div 2 there was a resounding win for the B team against Sherborne A by 67-37, winning two rinks for six points. The men had a good win in the Presidents Cup against Greenhill B winning on both rinks, but in the County Cup despite both rinks winning at home they lost overall 62-80. The men almost had a clean sweep against Lyme Regis in a friendly with 4 wins and a draw when winning 120-89 overall. Top rink; Brian Medland, Mike Craddock, John Carter, Bob Taylor.

In a very exciting friendly

against Somerton where both sides won two rinks, Bridport went down by one shot overall with top rink Margaret Strange, Brian Iverson, Peter Scott, Ken Sanger.

However they won the friendly against Severalls 68-65, with B D Jones, P Scott, B Iverson, top rink.

## Better week for Lyme's bowlers

LYME'S bowlers had a better week in the leagues, although the ladies had to call their game off against Blandford due to atrocious weather. The championship side earned a well needed eight points away to Wellworthy where, usually, points are hard to come by. Still plenty of work to be done though if they are to avoid relegation. Lyme Two men gained seven valuable points against Sherborne A in the second division of the West Dorset league.

In the first round of the County Cup, Lyme's men

had a narrow win over Broadstone Wessex, the same team that they scraped past by one shot last year!

In the friendlies it was played 4 won 3. The disappointing result was a loss by the men away at Bridport, always a competitive fixture with Lyme going down on 4 of 5 rinks. Even Brian Rumble's rink, who were playing for Lyme, managed to lose!

**Results: West Dorset Men Div Two - Lyme 2 61; Sherborne A 55;** S Dowling, A Henson, A Nabarro, R Legg 17-24; C Elmore, N Solomon, J Beadsley, C Barber 19-19; M McAlpine, P Stephens, B Parsons, D Meylan 25-12.

## West Bay Sea Angling

## Poor turnout for RNLI Open

SADLY this year's West Bay Sea Angling Club's annual RNLI Open match was poorly attended with only 18 anglers entering the competition.

This year it was moved to a Sunday afternoon, with the boundaries being West Bay to the Dragons Teeth (excluding the cliffs from East Beach West Bay to Burton Bradstock due to risk of falling rocks).

Greeted with lovely sunny weather and a flat calm sea, the anglers were hoping for some summer species such as garfish, mullet, mackerel and plaice to show when, but unfortunately the fishing was poor with only two anglers returning fish to the scales.

The winner of the match was Dave Lane with a garfish and second, Steve Harwood with a plaice.

Great work was done by Frances, Johnny and Martin Jones for selling raffle tickets.

1st: Dave Lane Weymouth; 2nd: Steve Harwood Bridport; Super Pool: 1st: Dave Lane; 2nd: Steve Harwood; Ladies Winner: Jane Johns (as no lady caught any fish, this was drawn out of the hat)

## Lyme Regis Gig Club

## Excellent display in Cattewater Regatta

AFTER the triumphant display by Lyme Regis Gig Club at the Bridport Gig Regatta the previous weekend, at which it won 7 out of the 13 races, the next test was at Cattewater Gig Club's Regatta, at Plymouth. We were up against some stiff competition during an action packed day. We sent one ladies crew, the ladies B crew, so the first race of the day for Lyme Regis was the men's A crew who lined up on the start line shadowed by HMS Albion, a huge royal navy transport ship that had just returned to the harbour where it is based. After a valiant row against an incredibly strong field the men's A crew finished the race in 9th position which was won by Looe from Caradon and Dartmouth.

The junior crews took a well-earned break from racing after their recent excellent run of results. So next up for Lyme was the Ladies B race and as the crews lined up a Royal Navy Merlin Helicopter flew over the start line—clearly they were enjoying the day's racing too. The ladies chose to use the men's oars which instantly paid dividends as they got off to a swift start. With a strong row to the first turn the ladies held their position at the final turn to finish 4 easily holding off the next finishing crew from Dartmouth.

The Men's B crew were the second boat out to the start line after the crew from the Britannia Royal Naval College whom they narrowly came in behind of to finish in 5th place. The Men's C followed up their win at Bridport with a strong row to finish 2nd.

The ladies vets finished 5th with the men's vets finishing in 3rd in their races. The final race of the day was the mixed race which while the boats headed out a Royal Navy submarine entered the harbour. Lyme entered two crews, one rowing in its own boat Black Venn and the other rowing in Drake which was kindly lent by Catterwater Gig Club, finishing in 7th and 8th, respectively.

Overall, Lyme Regis Gig Club put in an excellent display against very strong competition, especially the ladies considering they only sent 6 rowers who raced in 3 races in total—the ladies B, ladies vets and mixed races!

## Colfox miss out on Butlins experience

TEN students from The Sir John Colfox Academy Year 9 and Year 10 enjoyed a weekend netball tour to Butlins Minehead recently, where the girls had an excellent time competing against some high quality teams from around the West of England.

On Saturday and Sunday afternoon they played a round robin tournament where they showed some excellent teamwork, especially as many of them have not played together before. There were some brilliant passages of play, but despite some close fought games, the girls just missed out on advancing to the finals.

However there was also time to relax and experience the onsite facilities including a funfair and "Splash World".

It was a great experience and the team are already looking forward to returning next year!

The school are also very grateful to Huck Nets for sponsoring the new netball dresses.

### Blues get underway with easy opener

PORTLAND United coasted to victory in their opening pre-season friendly against Balti Sports at Thomas Hardye School's 3G pitch.

It was the first game in charge for manager Simon Browne who took over from Gary Bailey at the beginning of the summer.

The former Wimborne Town boss said: "It's the first time they have been out on the pitch together so I wasn't expecting them to pull up too many trees. We've done some fitness work but not actually in a game situation, so it was a chance for the lads to improve their fitness levels and get a bit of match fitness, and also to start making an impression on me."

"Whilst I know a little about most of the players I now have the chance to assess their atti-

tude and ability."

The new Blues boss added: "It was a reasonable game for us to start with and an ideal test in respect of the opposition."

Portland had a lot of possession in the first half without creating too much which included a missed penalty early on. Ethan Devaney then gave Sports the lead on the half hour before Richard Marshall say equalised before the break.

On the penalty miss Browne said: "It's not ideal, but I'd rather find out now who the penalty takers are going to be rather than on an important occasion when the season gets going."

The second half Portland im-

proved and Lewis Clarke showed he has not lost his touch by bagging a brace, before Browne made a number of changes on the hour.

As the game progressed Portland showed their superiority as Ryan McKechnie and Josh

Camp scored doubles and Aiden Jackson also getting on the scoresheet, with Danny Andrew getting a second for Balti.

Portland looked to raise the bar last night (Tuesday) when they travelled to St Mary's to play Bridport.

### Goodship opens his account

BRANDON Goodship made a good start to his Weymouth career by scoring against the side that released at the end of last season.

The 22-year-old forward joined the Terras in the summer after Yeovil Town released him following a short spell at Huish Park.

Although he made his mark, The Glovers who included Stephane Zubar in

their side, won the friendly 2-1 at the Bob Lucas Stadium.

Zubar was expected to re-sign for the Terras but made a late and unexpected move to Huish Park after the Glovers offered him a contract.

Last night Weymouth entertained Exeter City, with more Devon opposition lined up in the shape of Torquay United on Saturday (ko 3pm).
